

**NORWELL OFFICE – 99 Longwater CIRCLE, #101, Norwell, MA 02061**

- 1) Be aware that some GPS directions may not be accurate, so please read these directions carefully.
- 2) Our address is Longwater CIRCLE (not Drive or Road).
- 3) There are two buildings in our complex. As you enter the parking lot, the first building is 101, and the second building is 99. We are in building 99, farthest from the entrance of the parking lot. Take care not to confuse building 101 with our suite number which is also 101.

**General:** We are located near South Shore Medical Center in Norwell, and next to the South Shore Charter School. Once you are on Longwater Circle, continue past the Charter School, to the small rotary at the end of the road. Take the 2nd exit of the rotary (the first exit has a Do Not Enter sign) to enter into our parking lot. Unfortunately there is no sign with our name outside.
